

FASTPITCH SOFTBALL CLINIC

Instructor: Kevin Yaritz

I have been coaching girls and boys for 17 years in many different youth sports ages 3-18. I have spent the last number of years furthering my education in the game of softball and coaching so that I can bring it back to our youth.

I look forward to working with the kids to teach the fundamentals of softball. All parts of the game will be broken down so the they will understand what is being taught and why. I want to help them love softball and make it fun for everyone involved.
